ELECTRICAL DEPARTMENT.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, MYSORE.

Notification, dated 26th June 1936.

Sealed tenders for carting and unloading materials for one year or until further orders from the date of acceptance will be received in the Office of the Superintendent, Power and Lighting, Mysore, till 12 Noon on 18th July 1936.

Tenders should be in triplicate, addressed to the Superintendent, Power and Lighting, Mysore, and should be enclosed in sealed cover and superscribed as "Tender for Carting Contract to be opened on 18th July 1936 at 2 P.M."

Each tender must be accompanied under separate cover either by Registered Post or Money Order or personally, with a deposit of Rs. 25 as otherwise, the tender will not be considered.

The successful tenderer will be required to sign the contract deed and deposit the required further deposit of Rs. 25 immediately after the acceptance of his tender is intimated to him.

The rates to be tendered shall be in the accompanying form and should be entered both in figures as well as in words. The rate quoted by the contractors should be for all kinds of materials including steel or cast iron poles, creosoted baliga pols, reels and other heavy packages. When once the tender is accepted, no special rate is allowed on any representation for special consideration.

Payment will be made on bills prepared and submitted by the contractor in specified printed forms once in every month or if so desired by the contractor once in a fortnight or even earlier as may be decided by the mutual agreement.

The loading and unloading of carts should be arranged to be done by the contractor himself. The decision of the Superintendent, Power and Lighting, Mysore, for all cartings done will be final in all cases of doubt. If the materials are not promptly carted as required either from the Railway Station or from the Stores, or from other places, any demurrages or warfages or haulage charges and other damages are liable to be debited to the account of the contractor at the discretion of the above officer. The carting contractor should make arrangements to be in touch with the Superintendent, Power and Lighting, Mysore, or his Representative and should supply carts whenever called upon to do so, at the shortest notice possible.

In the case of urgency or expediency, the Superintendent, Power and Lighting, Mysore, will be at liberty to order to transport the materials by the departmental lorry or by hand carts kept by the department or Head Loads wherever possible and the contractor will have no claim for compensation on such accounts.

If carts are not supplied as and when required, other carts will be engaged on the spot at the available rates and any extra cost incurred thereby will be debited to the account of the contractor and the contractor will have no voice to question the rates paid.

The rates for the carting of the Baliga poles, Steel poles and Rails may be given separately according to the lengths of the poles irrespective of their weights.

The Superintendent, Power and Lighting, Mysore, will not bind himself to accept the lowest or any other tender and is also at liberty to accept or reject any or all the tenders without assigning any reason therefor. He may also accept more than one tender if he thinks that there will be full work for more than one contractor.

The tender is for carting materials within Municipal limits of Mysore, French-Rocks, Mandya, Nanjangud, and Hulikere should be submitted separately, for each place. So also in case of Hassan, Hole-Narsipur, Chikmagalur, Tarikere, Shimoga.
